The Student Benefits Plan covers supplementary health and dental services and additional benefits not covered by Provincial Health Care and Medical Travel Insurance. In the event of any discrepancy between the information herein and our contract with the insurer, the terms of the contract will apply. All benefits payable through the student plan are based on reasonable and customary charges.

## Enrollment Confirmation

All domestic and international students who meet the eligibility criteria are automatically enrolled in the Student Benefits Plan and do not need to apply for coverage.

Review your student account statement and search for the health and dental insurance fees to confirm you are covered by the Student Benefits Plan.

Still unsure if you are enrolled and have coverage? Contact the Benefits Plan Office if you want to know more about your Student Benefits Plan.

## Validation Period

There is a 45 day validation period for new enrollments from the start of the term. During this time, you pay out of pocket for all eligible expenses and keep the receipts to submit your claims when the validation period ends.
