How to Enrol for Coverage

Fees for the student plan are assessed automatically by the institution at registration. You are also enrolled automatically should you meet the eligibility criteria for the plan. If you are unsure about whether or not you are eligible, please contact your On Campus Health & Dental Plan Office.

New eligible students will be added to the plan(s) within 45 days of the start date of your program. Please keep your receipts for eligible expenses incurred for submission to the insurance carrier upon completion of the enrolment process. Returning eligible students may continue to access the plan(s) without disruption.

Accessing Coverage

myBenefits Card: Pay-direct claims allow for direct billing of eligible costs between your pharmacy and/or dental office and the insurance company. Pharmacy claims are processed immediately so students are not out of pocket the full expense at the time of purchase. Dental claims are processed based the dental office's billing practices. You can download your myBenefits Card from www.mystudentplan.ca.

Submit Claims Online: To access all claim features, register for online at <https://my.canadalife.com/sign-in>, or download the Canada Life app from your device app store.

Manual Claims: To submit a manual claim, complete an insurance claim form, attach the original receipts and documents, and mail to the insurer. Remember to keep a copy of all original documents for your records. You can download claim forms from www.mystudentplan.ca.

Coordinating Multiple Plans

If you are an eligible student and have comparable coverage you may wish to coordinate your plans. Benefits under the two plans can be coordinated to increase your coverage up to 100% of the actual expense(s) incurred. For example, following payment under this plan you can submit unpaid balances to another plan for consideration.

Opting Out of Coverage

If you are an eligible student and have comparable health and/or dental coverage you may apply to opt-out of the plan(s). Each student is given one opportunity to opt-out of the health and/or dental plan(s) each year. All opt-out forms must be completed online or through your On Campus Health & Dental Plan Office and must be received within 30 days from the start of your program. You will not be able to opt-out of coverage at any other point during the school year.

No exceptions will be made if the deadline is missed. It is the student's responsibility to pay the plan fees, should they miss the applicable opt-out deadline. Approval of your opt-out will result in the plan fee being credited. Once your opt-out has been accepted, it will remain in force as long as you remain an eligible student.
